

Planning for Rural Transit in Lane County

Online Public Conversation #1
February 8 & 9, 12-1, on zoom

For today...

- Introductions
- Presentation:
 - overview, vision & goals, outreach
- Break-out conversations
- Next steps

Lane County Communities

What's in a transit plan?

A **vision** for transit service in rural Lane County and **goals** to get there

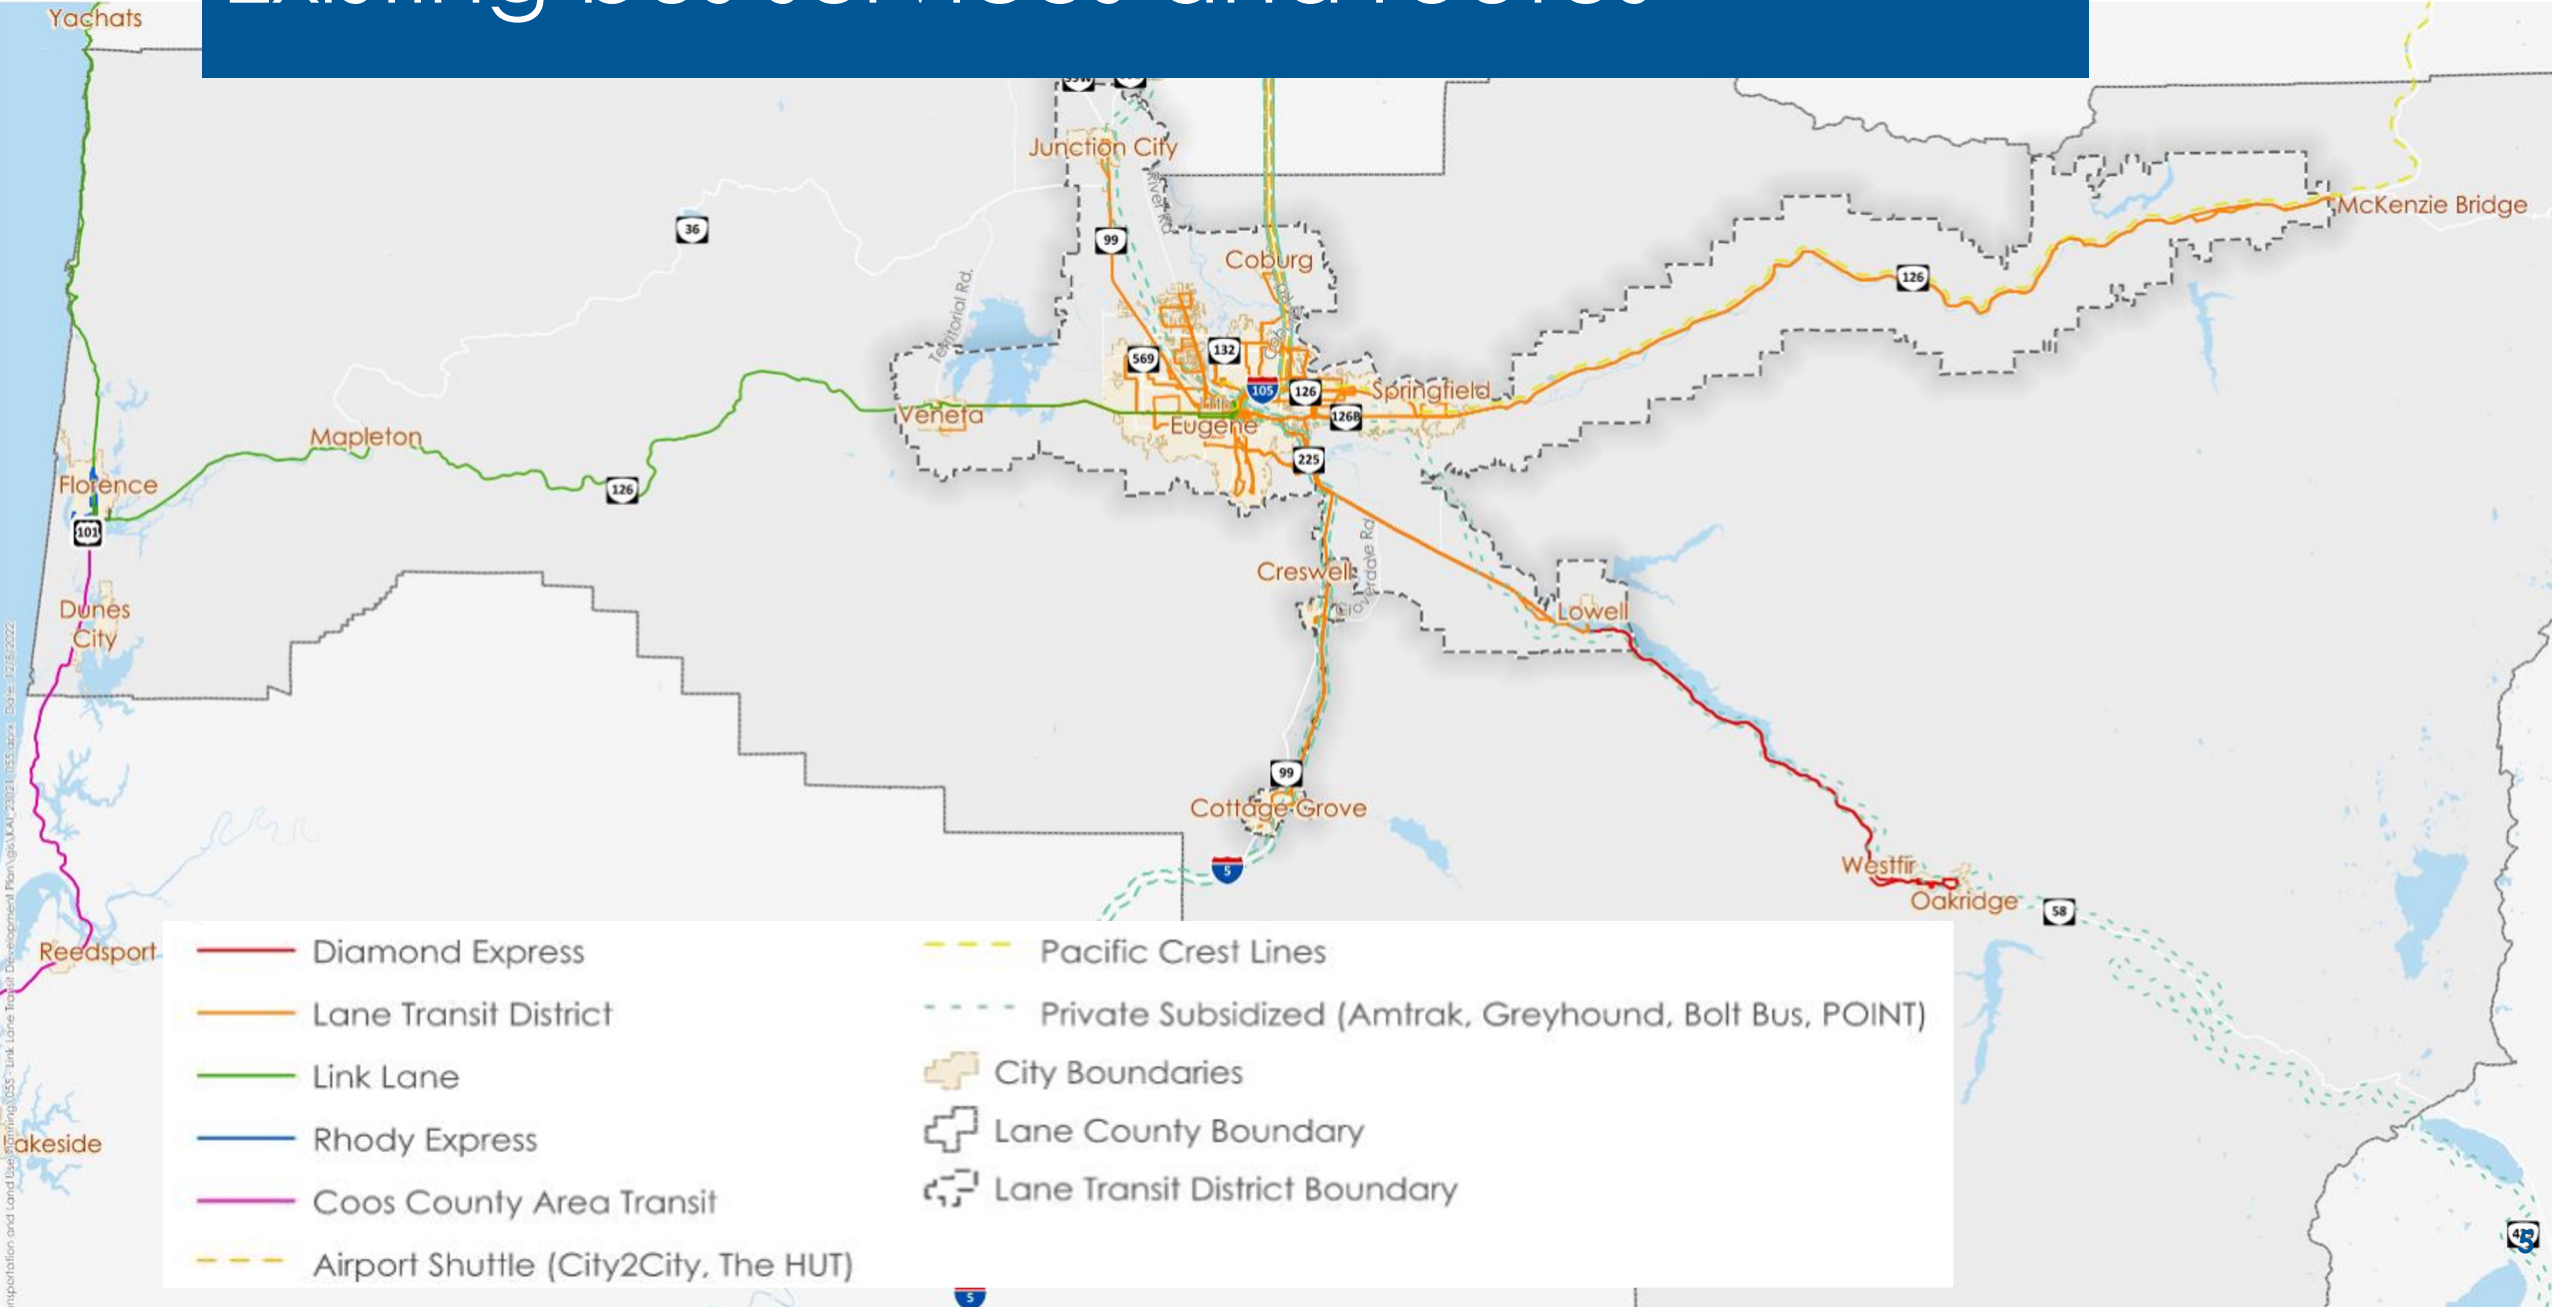

What works and **what doesn't** in rural Lane County right now

Success stories in other communities

Options for future improvements

A **final plan** and ways to fund improvements

Existing bus services and routes

Transportation and Land Use Planning 055 - Link Lane Transit Development Plan Vgs, MAJ 2021 055.sabx Date: 12/16/2022

The Transit Development Plan will guide improvements to:

BUS ROUTES AND SERVICES

BUS STOPS AND FACILITIES

TOOLS AND SERVICES TO
ACCESS THE BUS

Draft Vision and Goals Overview

An equitable, safe, convenient, and connected transit network throughout Lane County to support the health and well-being of individuals, communities, the economy, and the environment.

**Prioritize Equity,
Health and Safety**

**Increase Mobility
and Connectivity**

**Promote Funding
Stability**

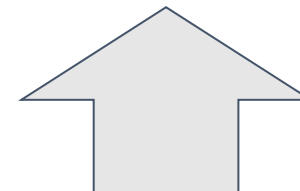

**Foster
Environmental
Sustainability**

**Improve
Coordination and
Communication**

Discussion

Focus on connections

- Between Eugene/Springfield & rural communities in Lane County

- Between rural communities in Lane County

Sharing from your own experience, or from listening to friends, family, or co-workers:

- **What works and what doesn't** for rural transit service in Lane County right now?
- **What actions** would help improve transit in Lane County?
